### The G.C. Railway Train

Enjoy a full-day adventure on the rails. Travel the same tracks that early adventurers to the Grand Canyon followed. There are musicians who roam the train playing the tunes of the West. How about that each car has a Passenger Service Attendant who will share facts about the area and the canyon and help you maximize your time while at the South Rim. Each morning before the train leaves, the Cataract Creek Gang and the Marshal square off at the Williams Depot. Snacks provided. Adult beverages available.

## Grand Tour

The 2.5-hour tour works seamlessly with the train's schedule, allowing you to get to some of the most recognizable viewpoints along the South Rim. The tour bus will deliver you right to your lunch, so all the planning is taken care of. Plus, you'll have about an hour on your own to explore the historic Grand Canyon Village
